Levels of ALP

Each level of ALP offers progressively more advanced objectives. Each applicant is assessed individually to determine his/her most appropriate placement.

BASE CAMP: Introductory level offers wilderness technical skills instruction, basic leadership development opportunities, and year-round events to foster cohort relationships. *No prerequisite.*

VISTA: Intermediate level encourages group assessment and inclusion awareness, technical skills proficiency, and improved communication and leadership abilities through year-round trainings. *Prerequisite is ALP base Camp or similar experience.*

SUMMIT: Advanced level embraces servant leadership ethics, WI trip assisting and Base Camp and Vista mentorship during events throughout the year. *Prerequisite is ALP Vista or similar experience.*

Please fill out both the participant and parent/guardian sections of this application. Please also answer the following questions on a separate page to help us get to know you. This is not a test of writing ability.

Applicant Questions

1. What are your strengths and challenges as a leader?
2. What is your experience with camping or other outdoor activities?
3. What skills and/or personal qualities would you want to develop in ALP?
4. Is there anything else you would like us to know about you?
